## Performance of the Institution in one area distinctive to its priority and thrust (2021-22)

**Vision:** Chaiduar College was conceived initially to cater to the need of higher education to the people of the large geographical area known as Chaiduar. A few visionaries and socially committed persons and Freedom Fighters took the noble initiative of establishing the college. As a result of this vision, the college was established in 1967 with Arts stream and it was affiliated with Gauhati University. From its inception, Chaiduar College has remained committed to its goal of disseminating quality education and inculcating the sense of human values and responsibility towards fellow beings. Since its humble beginning in the mid-60s, the college has been consistently taking up effective steps and measures for its all-round development and has already come a long way in its search of excellence and creation of quality human resource for the new millennium. In the new millennium, the college has faced three assessments by NAAC. It was awarded with B++ grade in its third cycle of re-accreditation in 2017.

The college is situated at the foothills of the lesser Himalaya region bordering the hilly state of Arunachal Pradesh. It's a distinctive region where two states meet and a large number of communities and tribes have been interacting and co-inhabiting in a spirit of brotherhood and unity since time immemorial.

- Chaiduar College has the distinctive feature of being a highly cosmopolitan institution of higher education. Since Gohpur and its surrounding areas are inhabited by diverse people, communities and tribes, the student population of Chaiduar College has the unique character of being quite cosmopolitan and colorful.
- The students belonging to different tribes and communities bring with them their own diverse cultural richness in their spirits, while at the same time remaining united with a strong sense of unity and brotherhood.
- To cater to this diversity of people and the large number of students, the college pursues the distinctive objective of providing quality higher education in an affordable and effective manner.
- The college always keeps in view the fact that a large number of these people cannot afford to go far or spend much for the good education. Therefore, the college makes intensive efforts to create a healthy, vibrant academic atmosphere, build adequate academic and administrative infrastructure, and provide all possible means of co-curricular activities like sports, gymnasium, and culture inside its campus and to maintain a culture of selfless and dedicated service towards all stakeholders

To equip and empower the students with skills to face the competitive job market the college has introduced a number of skill and vocational programs at an affordable cost.

- The college has a number of skill-based/professional courses such as **B.Voc in Mass Media** and **B.Voc in Medical Laboratory Technology**
- Certificate courses on **Junior Software Developer** and **Four Wheeler Service Technician** (Under Skill Hub Institute: a joint venture of National Skill Development Corporation (Govt. of India) and UGC

- Students Clubs such as **Adventure Club, Eco and Animal Lovers Club, Creativity Club, Cultural Club, Students Self Help Club** etc. have been constituted to motivate the students to engage in extracurricular activities and programs
